

Individually Tailored Car Mats

INTRODUCTION

Based in Berkshire England, Autostyle has years of experience in the manufacture of quality car mats designed to *fit your vehicle exactly*. Each mat set is cut precisely to Autostyle's own templates that follow the contours of the passenger compartment footwell and floor area, expertly allowing for the unique shape of the particular vehicle. The Autostyle database of templates covers hundreds of car models including many rare and specialist marques.

Made in the UK, Autostyle mats are individually handcrafted to the specification requested by you. This includes a wide choice of mat materials, colours and bindings plus options to upgrade using heel plates and motifs.

The effect of Autostyle mats on the vehicle interior is remarkable, protecting and enhancing it and giving a whole new level of style.

Commitment to high standards of design and manufacture have led Autostyle to be not only the leading supplier of individually specified mats to private motorists but also to undertake specialist contracts with prestigious motor manufacturers.

OPTIONS: Heelpads/Heelplates

Carpet Heel Pads

Carpet heel pads are made of the same material as the main mat set and bound with the same binding for a fully co-ordinated look. Securely sewn to the base mat in the area of greatest wear. Can be specified for driver and passenger or driver only.

Brushed Aluminium Alloy Heel Plates

Add a sporting edge to the car interior with one of Autostyle's alloy heel plate designs. Securely riveted to the base mat in the ideal position. Can be specified for driver and passenger or driver only.

MOTIFS

Autostyle have an extensive database of motifs and are licensed to reproduce a number of registered trademarks, please call us to find out what we can do for you.

All motifs are embroidered using computer controlled sewing machinery then embossed onto your mat, allowing complex designs to be created to the highest quality and with great precision.

SHEEPSKIN SPECIALS

Incredibly plush rugs designed to cosset in a way no other floor covering can. Autostyle supply sheepskin car mats to customers world-wide for use in prestige cars, sports cars and limousines. These rugs are handcrafted from finest sheepskin carefully selected for size and consistent quality. As well as offering a range of standard colours Autostyle can dye to specific shades. To ensure durability, a slip resistant backing fabric encloses a leather-like heel pad with latex impregnated felt interlayer.

The craftsmanship and expertise of Autostyle in manufacturing car mats means that a number of specialist services are also available to assist in the full personalization of an interior. Our bespoke service can offer mats tailor made to suit any vehicle from a boat to a plane and to fit any shape.
